

KLETTERKITZ AND SCHLINGESCHLANGE: A WATER PARADISE FOR CHILDREN AND FAMILIES – ALPINE NOAH’S ARK IN THE AQUA DOME – TIROL THERME LÄNGENFELD

Undisturbed bathing fun: The AQUA DOME – Tirol Therme Längenfeld offers a separate water world for children and families. Two big pools on deck of a ship, the giant slide *Schlingeschlange*, fanciful play rooms and an own restaurant are the highlights of *Alpine Noah’s Ark*. During summer an own outdoor area awaits our small guests. The boring and quite adult world has to stay out.

There are no wry looks when children are having lots of fun because *Alpine Noah’s Ark* is all theirs! Here they can splash to their heart’s content, speed through the 90m giant slide, climb up high walls in the play room *Kletterkitz*, watch a movie in the *Cybermaus* and do handicrafts in the creative room *Kuckucksnetz*. The pedagogically trained children’s animation team takes care that nobody gets bored.

Many specials make a day in *Alpine Noah’s Ark* so marvellous and exciting. Who wants to take an underwater picture with his friends dives down to take pictures with the underwater camera. And also the parents are happy again when they have relaxed a few hours in the adult world of the AQUA DOME.

The AQUA DOME – Tirol Therme Längenfeld is one of the most modern wellness spas in Europe in the middle of great mountain scenery. The futuristic water world fascinates its guests already in its 7th year during all 4 seasons with exciting indoor and outdoor attractions on overall 50.000 square meters. Amongst diversified swimming pools and relaxation pools the AQUA DOME also offers the children’s paradise *Alpine Noah’s Ark*, the sauna world *Gletscherglügen*, the spa oasis *Morgentau*, the fitness center *Gipfelsturm*, the medical competence center *4health* and the VIP area *Hochplateau*. The connected 4 star superior hotel AQUA DOME as well as the entire thermal spa complex is entirely built in Feng Shui style, which enhances vital energy and vigour.
