

MODERN ARCHITECTURE IN THE ÖTZTAL VALLEY: THE 4 STAR SUPERIOR HOTEL AQUA DOME OFFERS WARMTH AND ELEGANCE AS WELL AS BRISK WIND FOR EVENTS AND INCENTIVES

Design meets tradition: clean lines, lumber and glass characterize the spacious construction of the 4 star superior hotel AQUA DOME and the connected thermal spa and is therewith ideally integrated in the Ötztal mountains. The elegant alpine domicile offers 140 spacious rooms and suites. The interior architecture is a mix of classic-contemporary design and cosiness of traditional farmhouses – clear lines complement each other with warm lumbers and fabrics, elegant leather with the pleasant light of artful lamps. Moreover the AQUA DOME is built in Feng Shui style, a tribute to wellbeing, health, vitality and lust for living.

The AQUA DOME has enriched Tyrol's touristic offer enormously. A heated passageway leads from the hotel to the thermals spa, one of the most modern spas of Europe. AQUA DOME's water world is the perfect complement for visitors during winter in the renowned skiing areas Sölden and Obergurgl-Hochgurgl as well as for hikers, Nordic walkers and mountain bikers during warmth months.

The sauna world *Gletscherglühlen* and in the spa oasis *Morgentau* present extraordinary wellness-pleasures that melt away everyday stress. The thermal spa is completed with the medical competence center 4health, which offers medical total care with a competent network of experienced doctors in the sporty-luxurious surrounding of the AQUA DOME.

The AQUA DOME is also a real treat from a gastronomic point of view. Five restaurants, a wine shop and a bar offer an exquisite range of culinary delicacies. A special emphasis is on regional products: 90 percent of the goods of AQUA DOME's kitchen originate from Tyrolean producers. The restaurants give the choice between vital snacks and haute cuisine of head chef Herbert Wieser, who can look back at an impressive career with stations such as the Grand Spa Resort A-Rosa in Kitzbühel and the legendary Munich star restaurant Tantris. Lounge, bar and wine shop offer cool drinks and noble wines in a pleasant ambience with open fireplace, big candles and inviting leather sofas.

The hotel also provides the ideal conditions for conventions, meetings and incentives: *Kristallwissen*, *Ideenglimmer* or *Erzg'scheit* are the names for the meeting rooms flooded with light for up to 300 persons with view over the Feng Shui garden and exquisite catering. Furthermore the possible supporting program puts an interesting emphasis on the event: from bathing fun in the thermals spa to outdoor adventures provide for new creativity, motivation and energy.
