

Experience something special.

Enjoy the evening, spoil the palate, discover the countryside and much more – in AQUA DOME there is always something special to be discovered.

Always a suitable programme of activities. In AQUA DOME you can turn your event into something special with a special programme of activities: for example, with innovative and invigorating breaks, or with various outdoor programmes for motivating team-building - or "just for fun". Not to forget the exclusive evening programme to crown your event.

Culinary delights. Our restaurants let you choose between healthy snacks and haute cuisine – lounge, bar and wine bar spoil you with cool drinks and rare wines in a cosy ambiance of open fires, big candles and inviting leather sofas.

Innovative ideas on the seminar market. Our conference rooms have names like Erzg'scheit (Super Bright), Kristallwissen (Crystal Knowledge) or Ideenglimmer (Glimmering Ideas) and accommodate up to 270 people. The fantastic view of the Ötztal mountains together with the many extras for an extravagant event guarantee motivation and creativity.

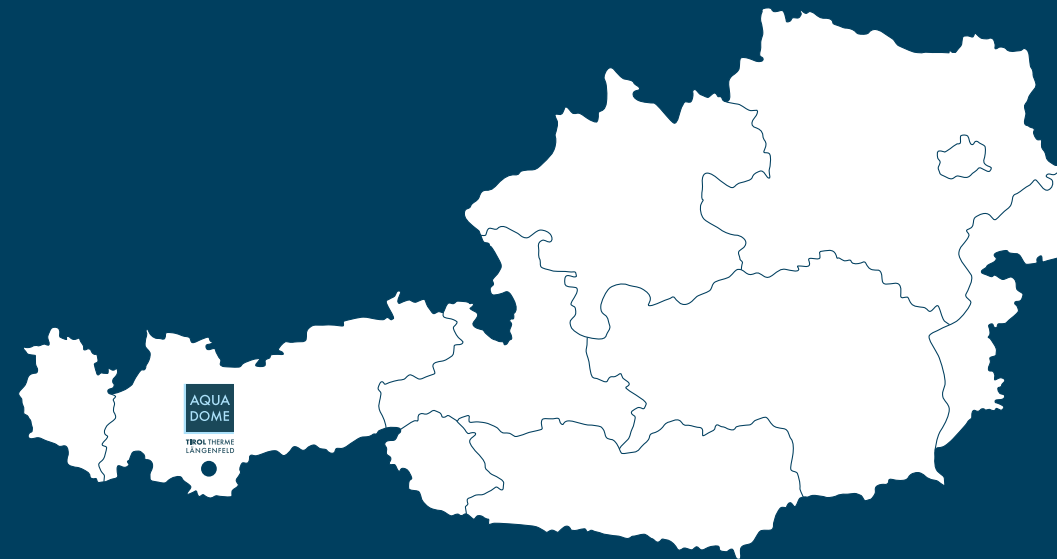

Refreshing concepts for your seminar. Pilates for a fresh start to the day; business-look relaxation exercises for an active break and back exercises to end a sedentary day – this is the way to keep seminar participants fit and relaxed.

Outdoor experience Ötztal. Both in summer and in winter there is a lot to be discovered and experienced around AQUA DOME. In summer, the gorgeous countryside around Längenfeld is the "playing field" for our active outdoor programme. In winter, the skiing and snowboarding centre Sölden featuring more than 144km of pistes starts right at the edge of the swimming pool. Discover the "valley of unique diversity" at any time of the year.
